This is Rabbit

Founded in 1983, Rabbit is the leading wine and barware brand in the United States with significant recognition in Europe and international markets.

The Rabbit corkscrew launched in 2000 and became the product in wine accessories.

Today Rabbit is the go-to brand for well designed and functional wine and bar tools, for everyday entertaining and gift giving.

Rabbit Lever Style Corkscrew with Foil Cutter

The original rabbit corkscrew pulls a cork in three seconds flat and then automatically releases the cork. Ergonomic design opens any size wine bottle. All gears are made of hardened metal and tested for 20,000 pulls. This set includes a foil cutter, extra cork spiral and is guaranteed for ten years. Gift boxed.
